**MEDICARE SUPPLEMENT
POLICIES**

AS OF JULY 2016

Monthly Premiums for Medicare Supplement Insurance Policies Updated (July 1, 2016)

This publication provides: (1) names, addresses, telephone numbers and websites of insurance carriers that sell Medicare supplement insurance in Maryland, (2) plans A, B, C, D, F, F*, G, K, L, M and N monthly premiums for ages 65, 70, 75, 80 and 85 individuals, and (3) plans A and C monthly premiums for under age 65 Medicare disabled individuals. Some insurance carriers sell other plans for under age 65 Medicare disabled individuals. The plan options listed in this publication are for policies (and certificates) with effective dates on or after June 1, 2010. The premiums are subject to change. For the most current premium for your age, consult directly with your insurance agent or insurance carrier representative.

This publication does not provide specific information on Medicare, or what Medicare covers. It is intended for use as a reference with and in addition to *A Guide to Health Insurance for People with Medicare* jointly developed by the National Association of Insurance Commissioners and the Centers for Medicare and Medicaid Services (CMS) in the U.S. Department of Health and Human Services. The *Guide* provides valuable information about Medicare supplement insurance.

CMS is a federal agency within the U.S. Department of Health and Human Services. CMS administers the Medicare program and can answer your questions regarding the Medicare Program. The CMS website at www.cms.gov contains valuable information regarding Medicare, including a handbook on Medicare entitled *Medicare & You* that provides detailed information on Medicare program benefits, rights and obligations. You also may contact CMS directly with your questions regarding the Medicare program by calling toll free 1-800-MEDICARE or visit the Medicare website at www.medicare.gov.

Medicare supplement is private insurance and can only be purchased through an insurance carrier. It is not sponsored by either federal or state government.

An insurance carrier writes a policy based on issue age, attained age and community rated.

Issue Age means that premiums are based on your age at the time you purchase the policy. While premiums may periodically increase due to benefit changes, inflation, or increases in medical costs, they will not increase due to your advancing age.

Attained Age means that premiums are based on your age on the last policy anniversary date. Premiums are scheduled to increase at predetermined intervals (for example, every year or every five years). These increases are in addition to premium increases because of benefits changes, inflation, or increasing medical costs.

Community Rated means that premiums do not depend on your age, either at the time the policy is issued or upon renewal. Premiums depend on other factors and may increase because of benefit changes or overall premium adjustments.

Note: This publication is updated twice a year. For the most current list of participating insurance carriers, refer to www.insurance.maryland.gov. Click on Consumer, then Consumer Information, then Medicare-related, then List-Carriers Offering Individual Medicare Supplement Policies.

*Plan F also has an option called a high deductible Plan F. The high deductible plan pays the same benefits as Plan F after one has paid a calendar year deductible. Benefits from high deductible Plan F will not begin until out-of-pocket expenses exceed this deductible. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. These expenses include the Medicare deductibles for Part A and Part B, but do not include the plan's separate Foreign Travel Emergency deductible.

Individual Medicare Supplement Plan Choices – Plans A, B, C, D, F, F*, G, K, L, M and N

(These charts show the benefits included in each of the standard Medicare supplement plans. Every participating insurance carrier must make available Plan “A.” If an insurance carrier offers any other Medicare supplement plan, it must also offer either Plan C or Plan F.)

Basic Benefits: For Plans A, B, C, D, F, F*, G, K, L, M and N

Hospitalization: Part A coinsurance plus coverage for 365 additional days after Medicare benefits end.

Medical Expenses: Part B coinsurance (generally 20% of Medicare-approved expenses) or copayments for hospital outpatient services. Plans K, L and N require insureds to pay a portion of the Part B coinsurance or copayments.

Blood: First three pints of blood each year.

Hospice: Part A coinsurance.

Calendar year deductibles, beneficiary coinsurances and out-of-pocket annual limits for Medicare are subject to change. You may contact the **Centers For Medicare and Medicaid Services (CMS)** for all this information at 1-800-MEDICARE (1-800-633-4227) or visit the Medicare website at www.medicare.gov.

Individual Medicare Supplement Plan Choices – Plans A, B, C, D, F, F*, G, K, L, M and N (continued)

**Plans K and L provide for different cost-sharing for items and services than plans A, B, C, D, F, F*, G, M and N. Once you reach the annual limit, the plan pays 100% of the Medicare copayments, coinsurance, and deductibles for the rest of the calendar year. The out-of-pocket annual limit does NOT include charges from your provider that exceed Medicare-approved amounts, called "Excess Charges." You will be responsible for paying excess charges.

***The out-of-pocket annual limit will increase each year for inflation.
